Configure Controls

Under any existing control objective in the **Organization Content** hierarchy, you can create one or more new controls, each of which specifies an action or process that will address the control objective.

To modify an existing control, click **Edit.**

To create a control, see Creating a New Control .

In addition to entries on the **General** tab, you can also click on the **Guidance and Risks** tab to specify guidance information on how to check the control, as well as add risks that this control is meant to address.
