# Deleting a Finding

You can delete a finding if your user role has Finding View and Finding Delete permissions.

**To delete a finding:**

1. In the RiskVision, go to **Assessments** > **Assessments**. The **Assessments** page is displayed.

2. Select an assessment to open its details page, and display the **General** tab on the **Assessment Details** page.

3. Select the box next to finding(s) and click **Delete**. The finding is deleted.
