Reassessing Entities Based On Criticality

The Advanced Scheduling options allow you to set the date and time to relaunch all assessments in the project as follows:

Setting	Option	Description
High/Medium/Low/Unknown Criticality	Never	One time assessment for the entities with the criticality setting. First and only assessment occurs when the project launches. **Note:** Selecting 'Never' disables other recurrence options.
	Monthly, Quarterly, Semi-Annual, Annual, Every 2 years, Every 3 years	Entities with the criticality setting are reassessed on the date indicated by first recurrence.
First Recurrence Date	Long date	Select the date and time you want to launch the project for the first time and for every recurrence thereafter.
Start the Program	Today	On launching the project, the assessments process begins.
	On the first recurrence date	Assessment process begins on first recurrence date, not when the project is launched.
