

Assessments Actions Overview

This section describes actions that are available in the More Actions dropdown list on the **Program Details** page > **Assessments** tab. Available actions are limited by the assessment status and the user's permissions. Some actions can be performed on multiple assessments at a time.

Action	Description
Export Assessment to Excel	Export assessment results as an Excel spreadsheet file.
Move Workflow	Perform an action, such as Approve or Reject to move the assessment workflow to another stage.
Remove Dynamic Groups	Remove all dynamic groups that are associated with the specified assessment. For more information, see Remove Entities section in the Options page of New Program wizard.
Propagate Control Results	Propagates control results for the selected assessments using entity relationships.
Apply Target Profiles	Applies Target Profiles
Refresh Scores	Updates risk and compliance scores. Restarting a closed assessment of a recurring program is one of the instances where this action can be used by a user. Refreshing scores may take a few minutes to accomplish.
Manage entities moved into Dynamic Groups	Update assessment entities that have moved into dynamic groups.
Manage entities moved out of Dynamic Groups	Update assessment entities that have moved out of dynamic groups.
Remove entity collections	Remove entity collection and its member assessments.
Manage entities moved into entity	Update assessment entities that are newly added to an entity collection.

collections

Ensure that you do not update content tied to a program immediately after executing the "*Propagate Control Results*" action. Please wait for at least 30 minutes after executing the "*Propagate Control Results*" action before updating content.
