

Delete a Response

You can delete unwanted responses from within the **Findings** details page or within the **Responses** tab of the **Assessment Details** page.

To delete a response:

1. Open RiskVision Compliance Manager.
2. Go to **Assessments > Assessments**.
3. Select an assessment to open the **General** tab on the **Assessment Details** page.
4. Complete one of the following actions to delete the response:
 - **Findings** tab:
 - Click the **Findings** tab, click a finding, and then click the **Responses** tab.
 - Check the box next to the response(s) you want to delete, then click **Delete**.
 - **Responses** tab:
 - Click the **Responses** tab.
 - Check the box next to response(s) you want to delete, then click **Delete**.
