

Edit an Exception

Exception workflow stage stakeholders can edit exceptions to these fields:

- **Information** tab > **General** details;
- Comments in the **Comments** tab; and
- Documents on the **Exception Request Details** page > **Attachments** tab.

Not all fields can be updated under the **General** details. The fields in the **Information** tab use a box to help you understand which fields can be updated when you click the **Edit** link. For information about the description of each field, see [Exception Request Basic Details](#).
